JOHN W. HENRY

CHAIRMAN

• John W. Henry is an avid baseball fan dedicated to leading the Marlins organization into a new era of partnership with the South Florida community. When first presented as the Club's new chairman two years ago, Mr. Henry immediately established himself as a passionate leader for the Florida Marlins franchise and the community at large.

• Always seen moving throughout the ballpark in spring training and during the regular season, Mr. Henry has emphasized his commitment to rebuild the ballclub while providing quality service and affordable entertainment for fans. He has become an active participant within the community.

• Mr. Henry has been a South Florida resident for the last twelve years. Before that, he spent some of his childhood years in North Miami Beach. He became concerned in 1998 the Florida Marlins would be forced to leave South Florida and so on January 13, 1999, he became the second owner of the Florida Marlins.

• Mr. Henry has shown a strong desire to build a long-standing alliance with youth, educational groups, charities, and his fellow baseball fans. "Players want to win every day and a lot of that drive is to win with the fans. Marlins players care how many fans are in the park. Similarly, I want to do everything I can to listen and interact with Marlins fans. I know a baseball team cannot win every night, but I want to make sure our fans do win every night -- and I think, overall, they do. If they don't I want to know why and address it immediately."

• Over the past 12 years, Mr. Henry has been involved in baseball at an ownership level. His baseball experiences have garnered him four World Series rings (1996, 1998, 1999 and 2000) as a limited partner of the New York Yankees, a partnership he joined in 1992.

• In addition to his partnership in the Yankees, Mr. Henry has two championship rings as chairman and majority owner of the Class AAA Tucson Toros of the Pacific Coast League from 1989 to 1997. In 1989-90, he formed a co-ownership with Boca attorney Don Sider in the West Palm Beach Tropics of the Senior Professional Baseball League. The Tropics, managed by World Series champion, Dick Williams, posted a league-best 52-20 record and were led by Hall of Famer Rollie Fingers and former All-Stars Toby Harrah, Dave Kingman, Mickey Rivers and Al Hrabosky.

• Away from the diamond, Mr. Henry is chairman of John W. Henry & Company, Inc. (JWH) which he founded in 1981. JWH is located in Boca Raton, Florida and is currently among the largest alternative investment firms in the world, managing foreign exchange, financial futures, and commodities for leading money center banks, brokerage firms, multi-national corporations, retirement funds, and private clients worldwide.

• Mr. Henry has served on the Board of Directors of the Futures Industry Association, National Association of Futures Trading Advisors(NAFTA) and the Managed Futures Trade Association. He has also served on the Nominating Committee of the National Futures Association. Mr. Henry is a recognized leader in alternative asset financial product innovation.

• Born in Quincy, Illinois, Mr. Henry, spent most of his childhood in Forrest City, Arkansas, where his parents owned a farm. He was a dyed-in-the-wool St. Louis Cardinals fan growing up, listening to Harry Caray on the radio, and at age nine, saw his first Major League game at Sportsman's Park in St. Louis. At age 15, he and his family moved to Apple Valley, California.

• A strong contributor to local charities, Mr. Henry supports numerous non-profit organizations.

The Florida Marlins dedicated the Club's inaugural season to Carl Barger who passed away December 9, 1992 at the Baseball Winter Meetings. Mr. Barger was the Marlins first President and Chief Operating Officer. The Marlins honored their first president by retiring number 5 (his favorite player was Joe DiMaggio) on April 5, 1993 and adding his name at the bottom of a specially designed inaugural season patch.

- Mitchell was appointed to the United States Senate in 1980 and went on to an illustrious career, spanning 14 years. Mr. Mitchell left the Senate in 1995 as the Senate Majority Leader, a position he held since January of 1989.
- While in the Senate, Senator Mitchell served on the Finance, Veterans Affairs and Environment and Public Works Committees. He was instrumental in legistlation leading to the passage of the 1990 Clean Air Act, the nation's first child care bill, the American Disabilities Act, a low income housing tax credit program, a higher education bill and led the Senate to ratification of the North American Free Trade Agreement and creation of the World Trade Organization.
- Senator Mitchell is the author of four books: Men of Zeal, describing the Iran-Contra investigation, World on Fire, describing the threat of the greenhouse effect and suggestions to curb it, Not For America Alone: The Triumph of Democracy and the Fall of Communism and Making Peace, an account of his experience in Northern Ireland.
- Senator Mitchell received his undergraduate degree from Bowdoin College in 1954 and received an LL.B. degree from Georgetown University Law Center in 1960.

DAVID DOMBROWSKI

PRESIDENT AND GENERAL MANAGER

- General Manager David Dombrowski became the Marlins' third President when he was named to the position by Chairman John W. Henry on March 1, 2000.

- As Club President, Dombrowski oversees all Business Operations of the Club and continues to oversee all Baseball Operations in his role as General Manager. The third-longest tenured General Manager in Major League Baseball, Dombrowski was named the Marlins' first Executive Vice President and General Manager on September 19, 1991.

- Dombrowski assembled the young talent which forms the core of a Marlins club who improved by 25 games over the last two seasons. The improvement included a 15-win increase from 1999 to 2000, the third-best in baseball. He also guided the development of the minor league organization which finished 10th in *Baseball America's* annual ranking of Major League Baseball teams, an improvement from 22nd in 1999.

- Dombrowski was the architect of the 1997 World Series Championship team, constructing a talented squad through player development, free agency and timely trades.

- Under his leadership, Florida became the first-ever expansion team to improve its record in each of its first five seasons. The Marlins improved from their standing in the National League East from sixth in their inaugural season of 1993; fifth in the strike-shortened 1994 season; fourth in 1995; third in 1996 and second in 1997. The Club was recognized by the *USA Today* as the 1998 Organization of the Year, presented to the team with the most and the best prospects.

- Prior to joining the Marlins, Dombrowski spent four years with the Montreal Expos organization. He joined the Expos on December 5, 1986 and was promoted to Assistant to the General Manager August 11, 1987. He was named Vice President/Player Personnel July 5, 1988 and added General Manager to his title prior to the 1990 season.

- Dombrowski was named UPI Major League Executive of the Year in 1990. He rebuilt an Expos team that had lost 60% of its starting pitching staff and its right fielder to free agency that year and saw the team finish third in the NL East with an 85-77 record.

- Prior to assuming control over the Expos Major League operation, Dombrowski oversaw their minor league system, which was twice honored by *Baseball America* as its Organization of the Year (1988, 1990).

- He became the youngest decision-maker in the Majors when he took over the Expos at age 32 in 1988 and earned a reputation as an aggressive trader when he made 23 trades involving 62 players by the end of 1990.

- Dombrowski began his career with the Chicago White Sox in 1978 as an Administrative Assistant in their minor league and scouting department. 2000 SEASON NOTES

FINISHING STRONG: The Marlins finished the season on a high note with a season-high six-game winning streak, winning eight of their last nine games. Before this season the Marlins had never finished the regular season with more than one win. The Marlins capped off the season with two straight series sweeps and completed just the third 6-0 homestand in Club history. The Marlins also went 6-0 on August 8-13, 1995 against Colorado and Cincinnati and on September 20-26, 1996 vs. Houston and Atlanta. The Marlins went 5-0 on April 25-29, 1997 vs. Los Angeles and San Diego.

FABULOUS 15: This season the Marlins improved by 15 games, the second-best improvement in the National League and the third- best in baseball, next to St. Louis' and the Chicago White Sox's 20-win improvements.

HISTORIC IMPROVEMENT: This season Marlins became just the second National League team over the last 50 seasons and the 32nd team in baseball's modern era (since 1900) to post a 10-win improvement in back-to-back seasons, excluding strike-shortened seasons. The Marlins are the 16th National League team to accomplish the feat, and the first since the Mets went 61-101 in 1967, 73-89 in 1968 and 100-62 in their World Championship season of 1969. The Yankees (1960-61), Red Sox (1966-67), Mets (1968-69), Orioles (1968-69), Twins (1983-84) and Marlins (1998-99) are the only teams to do it in the last half century. Next season the Marlins can become just the third team in modern baseball history and the first in over 90 years to do it in three straight seasons by winning 89 games.

BEAST OF THE EAST: The Marlins finished with the best intradivisional record in Club history. The Marlins went 28-22 against the rest of the National League East, the best record in the division. Atlanta was 27-24 and New York 27-23. The Marlins went .500 or better against all four NL East opponents, going 6-6 against the Braves and Mets, 7-6 against Montreal and 9-4 against Philadelphia. The Marlins went 25-23 against the NL East in 1997, the only other time they finished over .500 in the division.

HOME SWEET HOME: The Marlins finished with a 43-38 home record, the third-best home record in Club history and tied for eighth-best in the National League. The Marlins went 52-29 at home in 1996 and 1997.

BIGGER, FASTER, STRONGER: This season the Marlins totaled more home runs (160 to 128), RBI (691 to 655), doubles (274 to 266), walks (540 to 479), stolen bases (168 to 92), extra-base hits (463 to 438), total bases (2,253 to 2,203) and runs (731 to 691) than last season and lowered their ERA from 4.90 to 4.59.

SWEATING THEM OUT: The Marlins posted a 32-20 record in one-run games, equaling the Club record and tying for the Major League lead for most wins in one-run games. The Marlins went 32-22 in one-run games in 1997. The Marlins' 32-20 record was second only to St. Louis' 28-16 mark. Anaheim posted a 32-23 record in one-run contests. The Marlins went 49-35 in games decided by two runs or less, 9-5 in extra-inning games and 12-6 in games tied after the eighth inning. The Marlins posted 41 comeback wins, sixth in the NL, and won 23 games in their final at bat, tied with Milwaukee, Kansas City and Tampa Bay for the most in baseball.

RECORD SEASON: This season the Marlins set six single-season Club hitting records. The Marlins hit 160 home runs (150, 1996), stole 168 bases (131, 1995), collected 2,253 total bases (2,203, 1999), totaled 463 extra-base hits (438, 1999), slugged 51 sacrifice flies (48, 1995) and posted a .409 slugging percentage (.406, 1995).

JOIN THE CLUB: Preston Wilson became the 23rd player in baseball history and the first Florida Marlin to hit 30 home runs and steal 30 bases in one season. It marked the 38th time in baseball history a player accomplished the feat, with Wilson becoming the 14th active player in the 30-30 club. Other notables in the club are Hank Aaron (1963), Willie Mays (1956-57), Bobby Bonds (1969, 1973, 1975, 1977-78) and active players Barry Bonds (1990, 1992, 1995 1997), Jose Canseco (1988), Shawn Green (1998), Alex Rodriguez (1998), Sammy Sosa (1993, 1995) and Larry Walker (1997). Wilson was the only player this season to hit 20 home runs and steal 30 bases. Wilson also became the first Marlins player to hit 20 home runs, steal 20 bases and drive in 100 runs.

HOW DO YOU SPELL RELIEF? Not only did he equal the Marlins' single-season save record and lead all of baseball with 45 saves in 49 opportunities, Marlins closer Antonio Alfonseca became the first Marlins hurler to win the Rolaids Relief Man award. Alfonseca totaled 125 points on the strength of five wins and 45 saves, besting Armando Benitez's 116.

GOLDEN ARM: Mark Kotsay fell just two assists short of becoming the second player ever to lead the league in outfield assists for three consecutive seasons. Philadelphia's Johnny Callison is the only other player to accomplish the feat, leading the league for four straight seasons from 1962-65. Kotsay is the Major League leader in outfield assists over the last three seasons with 53, sharing the League lead with Andruw Jones in 1998 with 20 and leading the League with 19 in 1999. In 2000, Kotsay finished tied for second with Brian Giles with 14 assists, two behind NL leader Peter Bergeron.

2000 SEASON NOTES

CAREER YEAR: Luis Castillo set five single-season Club records this season, including batting average (.334), hits (180), singles (158), multi-hit games (55) and stolen bases (62). Castillo broke or tied three records in one inning on September 21 at Montreal, collecting his record-tying 175th hit and his record-breaking 55th multi-hit game in one at bat and promptly stealing his 59th base. Castillo became the Marlins' all-time leader in steals with 116 on June 20 vs. MIL. Castillo became just the second Marlins player to score 100 runs, joining Gary Sheffield (118) in 1996, and the third Marlins player (Chuck Carr in 1993 and Quilvio Veras in 1995) to win the Lou Brock Award as the NL stolen base champion.

FABULOUS FLOYD: In his final start of the season on September 30 vs. Philadelphia, Cliff Floyd hit his first career grand slam (the 40th in Club history) in his 39th career at bat with the bases loaded, established a new career high with six RBI and tied his career high with four hits. Despite playing in only 121 games, Floyd equaled his career high with 22 home runs and established a new career high with 91 RBI. Floyd also became the first Marlins player to hit 20 home runs and steal 20 bases in two seasons. He captured his first NL Player of the Week Award the final week of the season, hitting .556 (10x18) with two home runs, four doubles, 11 RBI and a League-leading 1.053 slugging percentage.

KING OF K'S: Ryan Dempster established a new Marlins single-season strikeout record with 209 K's (fourth in the NL), fanning Montreal's Brian Schneider in the sixth inning on September 26. He surpassed Kevin Brown's record of 205 in 1997 and now ranks second on the Marlins all-time list with 370. Dempster became the third Marlins player to strike out 200, joining Brown and Al Leiter (200 in 1996), and just the second Canadian. Fergie Jenkins posted 200 strikeouts in 1967-71 and 1974. Dempster pledged $10 for each of his strikeouts to the KIDS THAT CARE Pediatric and Cancer Fund, donating a total of $2,090.

MOST IMPROVED INDEED: After hitting .206 in 70 games with Florida in 1999, Derrek Lee finished the 2000 season with a .281 average, 28 home runs and 70 RBI, being named the 2000 BBWAA Most Improved Marlin. Lee's 28 home runs are the third-highest total in Club history, joining Gary Sheffield, Jeff Conine and Preston Wilson as the only Marlins players to hit 25 home runs.

UNIQUE GROUP: In addition to hitting a Club record 160 home runs, the 2000 Marlins became the first team in franchise history to have four players hit 20 home runs (Wilson, Lee, Floyd and Lowell), the first team to have four players hit 30 doubles (Lowell, Wilson, Kotsay and Floyd) and the first to have three players drive in 90 runs (Wilson, Lowell, Floyd). It also marked the first time the Marlins had three players steal 20 bases (Castillo, Wilson, Floyd).

WALLOPING WILSON: Preston Wilson became the new Marlins RBI king on the final day of the season, smacking a two-run triple in the first inning to give him 121 RBI, one more than Gary Sheffield totaled in 1996. Wilson also played in all 161 games, joining Jeff Conine (1993-94) as the only Marlins players to play in every game of a season. The Marlins were 23-6 when Wilson hit a home run this season.

THE RUNNING MEN: The Marlins stole a Club record 168 bases this season, the most in baseball. They stole a Club record 10 bases on May 18 vs. San Diego, coming within one stolen base of equaling the modern day NL record. The day before Luis Castillo stole a Club record four bases. He finished the season with a Club record 62 steals, the second-highest total in the National League in the last eight seasons (Arizona's Tony Womack had 72 in 1999). Castillo came within one stolen base of equaling a 106-year-old record on May 17-18, stealing seven bases. The record of eight is held by the Chicago White Stockings' (later the Cubs) Walt Wilmot on August 6-7, 1894.

HE'S AN ALL-STAR: The Marlins lone All-Star was starter Ryan Dempster, who at 23 was the youngest player at the 2000 All-Star Game and became the fourth Marlins pitcher to be so honored, joining Bryan Harvey in 1993, Al Leiter in 1996 and Kevin Brown in 1996-97. Dempster was also the first Canadian pitcher to be selected to the NL All-Star team since Fergie Jenkins in 1972 and the seventh Canadian All-Star pitcher.

FEARLESS FISH: In 2000, the Marlins were at their best against some of baseball's best hurlers, earning wins against Randy Johnson (twice), Greg Maddux, Kevin Brown, Curt Schilling, Tom Glavine, Orlando Hernandez, Mike Mussina and Shawn Estes. On September 11 vs. Arizona, the Marlins struck out 21 times, coming within one strikeout of equaling the NL record for strikeouts in an extra-inning game, but still beat Johnson 4-3 in 12 innings.

WORTHY OF RECOGNITION: Marlins third baseman Mike Lowell was named the NL Player of the Week for the week of August 28-September 3, the first for the Marlins since Edgar Renteria won the award for June 8-14, 1998. Lowell hit .471 (8x17) with three home runs, two doubles, eight RBI, a .625 on-base percentage and a 1.118 slugging percentage. Lowell hit safely in a career-high 16 straight games from August 18-September 5.

2000 SEASON NOTES

RATED ROOKIE: Marlins starter Chuck Smith captured the BBWAA Marlins Rookie of the Year Award, posting a 6-6 record and a Marlins rookie record 3.23 ERA after being acquired in a June 9 trade. Smith finished the season by going 4-1 with a 2.20 ERA in his last six starts, averaging just four hits and 1.8 runs allowed over that span. Smith came within one strikeout of equaling the Club record for strikeouts in a game (12) on three different occasions and allowed three earned runs or less in 15 of his 19 starts.

GAME-ENDING GONERS: The Marlins set a new Club record by hitting four game-ending home runs this season. Cliff Floyd became the first Marlins player to hit two game-winning home runs, giving the Marlins a 5-4 win over the Giants on April 6 and an 8-7 win in 10 innings over the Cubs on June 25, one of two pinch-hit home runs for Floyd. He also hit a two-run, pinch-hit home run against the Braves on July 20. Derrek Lee and Mike Lowell hit the other two game-winning home runs, with Lee hitting a two-run shot in a 2-0 win over the Mets on July 3 and Lowell giving the Marlins a 7-6 win over Cincinnati on August 27. Lee's home run was just the sixth game-ending home run in a scoreless game over the last five seasons, as Lee joined a group that includes the Marlins' Terry Pendleton and Alex Gonzalez.

STUPENDOUS STARTS: Marlins starting pitchers posted a streak of nine straight quality starts from August 7-16, allowing three runs or less and tossing at least 6.0 innings. The Marlins starters posted a 1.82 ERA during the streak and allowed more than three runs just three times in a span of 20 games from July 27-August 16.

STARTING OFF ON THE RIGHT FOOT: The Marlins scored 116 of their 731 runs in the first inning (15.9 percent), the most of any inning. On August 14 vs. LA, the Marlins equaled a Club record for the most runs scored in the first two innings of a game, plating nine runs. The Marlins also scored nine on May 1, 1994 vs. Cincinnati.

WESTERN WOES: The Marlins finished with a 17-28 record against the National League West. They were 54-45 against the rest of the National League and 62-54 against the rest of baseball. They posted a 2-7 record against both the Padres and Dodgers and a 3-6 record against the Giants.

GOING HOME HAPPY: When the fans gathered in bunches at Pro Player Stadium, the Marlins usually gave them a good show. The Marlins went 12-5 in the 17 home games this season with crowds over 20,000.

WASTED DAY: The Marlins suffered through 17 rain delays this season, 10 at home, for a grand total of exactly 24 hours. The 10 home rain delays totaled 13 hours and 34 minutes. It marked the fourth time in the last five seasons the Marlins have suffered through at least 10 home rain delays.

INTERLEAGUE EXCELLENCE: Though the Marlins posted their first losing season against the American League in 2000 (8-9), they continue to have the best Interleague record in the National League (39-27) and trail only Cleveland (41-26) for the best overall record.

TERRIBLE TWOSOME: In a 7-4 win over the Chicago Cubs on June 24, Preston Wilson and Derrek Lee became the first Marlins players to each hit two home runs in the same game. Wilson tied the game at 1-1 with a home run in the fifth before Lee made it 3-2 on a solo home run. In the eighth, Wilson hit a three-run home run to give the Marlins a 6-4 lead and Lee followed with another solo home run later in the inning to seal the Marlins' 7-4 win.

ROAD WARRIORS: This season the Marlins posted the second-most road wins in Club history, going 36-44. The Marlins went 40-41 on the road in 1997. On June 9-18, the Marlins went 6-3 during a nine-game road trip, their most successful road trip in three seasons. It marked the first time they won six games on one road trip since June 16-25, 1997. The Marlins also went 5-1 on a trip to Cincinnati and St. Louis on August 4-9.

GETTING BETTER WITH AGE: When he made his Major League debut on May 11 vs. Atlanta, 37-year-old rookie Joe Strong became the oldest rookie since LHP Diomedes Olivo made his debut on September 5, 1960 for Pittsburgh at the age of 41. On June 13, 30-year-old Chuck Smith also made his Major League debut. Smith and Strong became the first teammates age 30 or older to make their debut in the same season since 1969, when 36-year-old Billy Williams and 31-year-old Freddie Velazquez debuted for the Seattle Pilots.

MAGNIFICENT MAYS: Preston Wilson established new Marlins records with nine home runs and 27 RBI in May, surpassing Jeff Conine's eight home runs and 23 RBI in 1996. Cliff Floyd also had a tremendous May, hitting .348 (32x92) with seven home runs, six doubles and 23 RBI in 27 games. He reached base by a hit, walk or a hit by pitch in all 27 games.

2000 SEASON NOTES

QUITE A HOT STREAK: Preston Wilson equaled Kurt Abbott's team record by hitting home runs in four straight games from May 10-13. He also became the fourth Marlins player to hit five home runs in a span of six games, joining Gary Sheffield, Moises Alou, Derrek Lee and Mike Lowell. Wilson drove in 16 runs during an eight-game hitting streak from May 6-13, including eight RBI in two games against the Mets in New York on May 12-13.

AUSPICIOUS DEBUTS: Jason Grilli became the third Marlins starting pitcher to earn a win in his Major League debut on May 11 vs. Atlanta, allowing four runs on 11 hits in 6.2 innings in the Marlins' 5-4 win. Reliever Joe Strong also made his ML debut in the game, tossing 1.1 hitless innings.

RYAN'S GEM: In the Marlins' 3-0 win over New York Mets on May 7, Marlins starter Ryan Dempster tossed the fifth one-hitter in Marlins history, allowing only a Mike Piazza double in the sixth inning. Dempster joined Al Leiter, Kevin Brown, Pat Rapp and Alex Fernandez as the only Marlins pitchers to allow less than two hits in a complete game.

COMEBACK KIDS: On April 29 at Los Angeles, the Marlins equaled the largest comeback in team history, rebounding from a 10-2 fourth-inning deficit on Derrek Lee's solo home run in the ninth inning to tie the game at 12-12. The Dodgers scored a run in the bottom half of the inning to earn a 13-12 win. The Marlins came back from an 8-0 deficit on September 2, 1995 at Houston only to lose 10-8. This season the Marlins rebounded from a 6-0 deficit in an 8-7 loss in 12 innings on April 26 vs. San Francisco, from a 5-0 deficit in a 6-5 win in 10 innings on April 16 at Chicago and from a 5-0 deficit in a 9-8 win over the Mets on July 4.

THE MEN IN THE PEN: For the majority of the season the Marlins bullpen was one of the best in baseball. They led all of baseball with a 3.72 ERA on August 12 before surrendering 44 earned runs in 38.2 IP over the next 15 games. The bullpen had two early season scoreless streaks of 23.2 scoreless innings from April 10-17 and 19.1 innings from April 20-25, finishing the season with a 31-20 record and a 4.56 ERA.

GETTING OUT OF THE BLOCKS: The Marlins got off to a fast start in 2000, posting their best record ever after 20 games (12-8). When the Marlins sat alone atop the National League East with a 9-6 record on April 18, it marked the latest the Marlins were ever in first place. That day was the third in 2000 that the Marlins were in sole possession of first place and just the ninth day in the history of the franchise. The Marlins were in sole possession of first place for six days in 1997. The Marlins were tied with Atlanta for first place until April 21. The Marlins were .500 or better in April (13-13) for the third time in Club history.

POWER SURGE: Luis Castillo hit two of his four career home runs this season, both in the state of Florida. On June 10 at Tampa Bay Castillo hit a home run off Doug Creek, his first since August 9, 1998 at San Diego, a span of 211 games and 783 at bats. He also hit his first home run in 801 at-bats at Pro Player Stadium on September 29, a first inning blast off Philadelphia's Bruce Chen.

RIGHT AT HOME: After hitting 31 of his first 35 career home runs on the road, Derrek Lee hit two home runs on June 24 vs. Chicago and proceeded to hit five home runs in a span of six home games. They were his first home runs at Pro Player Stadium since August 5, 1998, a span of 87 games and 248 at bats.

A FULL DAY: Marlins outfielder Mark Smith hit two solo home runs to power the Marlins to a 2-1 win on July 2 at Montreal, then pulled a motorist from a burning vehicle after a crash on I-75 on his way home from the airport that night. Smith was awarded the Steve Palermo Award for heroism by the Baseball Assistance Team (BAT) for his actions.

OPENING TO RAVE REVIEWS: The Marlins opened their eighth season in style, winning their fourth straight season opener with a 6-4 win over San Francisco under the lights at Pro Player Stadium. Marlins starter Alex Fernandez won his second straight Opening Day start, allowing three runs on eight hits in 7.0 innings, and Antonio Alfonseca earned the save. Preston Wilson gave the Marlins a 1-0 lead on a double in the first and put the Marlins on top 4-3 with a two-run double in the fifth.

SPRING FLING: The Marlins went 11-19 during the 2000 Spring Training season, the third straight season in which they have posted 11 wins. They won three of their last four Grapefruit League games, then won 13 of their first 21 regular season contests.

A BRIEF HISTORY OF SOUTH FLORIDA BASEBALL

From the earliest days of the city of Miami, baseball has been a South Florida staple. Whether as the home to numerous minor league franchises, the training site for various Major League clubs or the home of some of the finest college and high school programs in the nation, baseball and South Florida need no introduction.

Records show that Abner Doubleday, who legend credits as having invented the game of baseball, was stationed at a military base in South Florida late in his career. Although club teams were taking to makeshift diamonds in the area before the turn of the century, the first official minor league entry appeared in 1912 when the Miami Magicians entered the Class D East Florida State League and competed until the United States entered World War I. After the war, several variations of minor league clubs appeared, one which was the Miami Tourists.

On the eve of World War II, teams in the Florida East Coast League included the Miami Wahoos, the Miami Beach Flamingos, the Fort Lauderdale Tarpons and the West Palm Beach Indians. The league suspended operations in 1943 until the end of the war.

After the war, the need for a larger stadium became apparent. Jose Manuel Aleman, a former minister of education in Cuba, undertook the project. Construction began in late 1948 and Miami Stadium was opened on August 31, 1949. At the time, the 9,000-seat stadium was hailed as one of the finest and most beautiful in baseball.

By 1952, the Florida International League had risen to Class B status and included the Miami Sun Sox (managed by Pepper Martin), Miami Beach Flamingos, Fort Lauderdale Lions (who wore shorts during the 1953 season) and the West Palm Beach Indians.

The Marlins nickname made its first appearance in 1956 when the Triple A franchise from Syracuse, New York moved south and into Miami Stadium. The legendary promoter Bill Veeck was brought in to run the team and one of his first acts was to sign 50-ish hurler Satchel Paige. Paige's Marlins debut was one to remember, as Veeck arranged for a helicopter to deliver him to the mound on Opening Night.

Paige played three seasons with the Marlins, and was the starting pitcher on August 7, 1956 when baseball moved to the Orange Bowl for the first time. Thanks to pre-game festivities that included Cab Calloway and Merv Griffin, a crowd of 57,713 filled the stadium for a 6-2 victory by Paige and the Marlins over the Columbus Jets. The game raised over $30,000 for charity, but did little to build a long-term base of fans. Plagued by poor attendance and other financial problems, the AAA franchise moved to San Juan, Puerto Rico after the 1960 season.

After the Marlins departure, South Florida's professional baseball connection has been either through hosting various Major League spring training sites or through Class A Florida State League entries, including several different nicknames (Marlins, Orioles and Miracle).

In 1979, Triple A baseball made a brief return to South Florida with the Miami Amigos of the Inter-American League. The league lasted only until mid-July before financial problems brought it down. From that moment until April 5, 1993, the only professional baseball above the Class A level in South Florida was played during the spring.

Major League clubs since the days of Babe Ruth have sought refuge in the warm Florida climate while preparing for the upcoming season. At one time or another, South Florida has been the spring home of the Giants, Reds, Browns, Athletics, Yankees, Braves and Pirates and is currently the site for the Cardinals, Mets, Expos and Orioles.

But while the professional game was mostly a spring-time guest, the amateur programs became nationally prominent. At the University of Miami, Hurricanes manager Ron Fraser built over 30 years of, what many consider, the model collegiate program. Not only did the team prosper on the field, becoming a regular participant in the College World Series and winning two national championships, but Fraser proved that a collegiate program could also be successful at the gate. Armed with a never-ending series of promotions, Miami has packed in the fans at home and has become the envy of many minor league teams in the process.

At the same time, various high school and junior college programs in the state have churned out a never-ending stream of blue chip prospects and Major Leaguers, the results of a year-round affinity for playing the game.

South Florida's interest in baseball was further solidified by the influx of Cubans since the late 1950's. In the mid-1950's, Havana was host to a legendary Triple A entry, the Sugar Kings. Starting with Minnie Minoso, a host of Cuban players such as Cookie Rojas, Bert Campaneris, Luis Tiant and Tony Perez made their way to the major leagues and opened baseball's collective eyes to the vast wealth of talent available in the Carribean.

That tradition continues today with the play of such Cuban-American products as Rafael Palmeiro, Alex Rodriguez and Jose Canseco, who made his professional debut with the Class A Miami Marlins in 1982. Other Major Leaguers who wore a minor league Marlins uniform include Dennis Martinez, Eddie Murray and former Marlins catcher Benito Santiago. With the 1997 arrival of Alex Fernandez to the Marlins, the vastness of this area's baseball is seen with a person who played high school, collegiate and now Major League Baseball in South Florida. The same can now be said of Marlins catcher Charles Johnson and infielder Mike Lowell, hometown products playing for the local Major League team.

Since the Florida Marlins came to the area in 1993, Major League Baseball no longer heads north for the summer. Now, the baseball fans of South Florida can experience first-hand what they have long coveted, a big league team of their own.

Hall of Famers Jimmy Foxx and Satchel Paige were members of the Miami Marlins in 1956. Foxx served as a coach and Paige was a pitcher and star gate attraction.

1997 DIVISION SERIES

The 1997 Florida Marlins clinched their first-ever post-season berth with a 92-70 mark, winning the Wild Card. Using ninth-inning, game-winning singles by Edgar Renteria and Moises Alou in Games 1 and 2 and a Devon White sixth-inning grand slam in Game 3, the Marlins completed a sweep of the National League West Champion San Francisco Giants.

With the 1997 arrival of Alex Fernandez to the Marlins, the vastness of this area's baseball is seen with a person who played high school, collegiate and now Major League Baseball in South Florida. The same can now be said of Marlins catcher Charles Johnson and infielder Mike Lowell, hometown products playing for the local Major League team.

Since the Florida Marlins came to the area in 1993, Major League Baseball no longer heads north for the summer. Now, the baseball fans of South Florida can experience first-hand what they have long coveted, a big league team of their own.

1997 WORLD SERIES

The Marlins became the first Wild Card team to win a World Series, as they came from behind to claim eight of their 11 post-season victories including Edgar Renteria's 11th inning, two-out single in Game 7, his second game-ender of the postseason and Florida's 29th win of the season in their final at-bat. It marked just the third Game 7 in Series history to go extra innings. Charles Johnson led the Marlins with 10 hits including a pair of three-hit games, while Livan Hernandez became the second rookie to win the Series MVP award and the first rookie pitcher in 50 years to win two World Series starts. In Game 3, Florida became just the second team in Series history to score seven runs in the ninth inning. The Game 4 loss marked the coldest World Series game ever played, with a wind chill of 15 degrees. The Pro Player Stadium crowd of 67,498 in Game 6 was the largest to see a World Series game since 1954. The 403,617 fans that attended the Series marked the second-highest total ever, while Florida became the first team ever to draw over 500,000 in a single postseason.

INAUGURAL SEASON OPENING DAY

APRIL 5, 1993

Florida Marlins 6, Los Angeles Dodgers 3

Joe Robbie Stadium - The Marlins defeated Los Angeles 6-3 in their inaugural game before a sellout crowd of 42,334 spectators. Charlie Hough scattered six hits over six innings to pick up the Club's historic first win. Walt Weiss gave the Marlins a 2-0 lead in the second inning with a two-run triple. Jeff Conine went 4x4 and stole the first base in Marlins history. Bret Barberie collected Florida's first hit, a first inning single to center. Bryan Harvey pitched a scoreless ninth to record the save. In pre-game ceremonies, Hall of Famer Joe DiMaggio threw out the first pitch and the Marlins retired uniform #5 in honor of their late president Carl Barger.

2000 ORGANIZATIONAL PLAYER OF THE YEAR: First baseman Nate Rolison was named the Marlins 2000 Organizational Player of the Year. The Petal, MS native set career highs in batting average (.330), runs scored (88), hits (146), doubles (37), triples (3), home runs (23), RBI (88) and walks (70). Rolison was named the Pacific Coast League's Player-of-the-Week for May 15-21 when he batted .619 (13x21) with three home runs, a double and and seven RBI. Rolison, who finished in the top 10 in seven single-season offensive categories, was named Calgary's Most Valuable Player and the Pacific Coast League's Rookie of the Year.

HE'S THE ONE: On August 1, 2000, Mike Drumright threw the fifth one-hitter and the third nine-inning one-hitter in Cannons history at Southwestern Bell Bricktown Park in Oklahoma, becoming the first Cannon since Joe Fontenot in 1999 to throw a one-hitter. The lone Redhawk hit came in the third inning when Chris Demetral dropped down an infield single. Drumright finished the game with 9.0 innings pitched, one hit, one run, three walks and a season-high eight strikeouts. The Cannons topped the Redhawks 4-1.

ALL-STAR CANNONS: For the first time in Cannons history, two players were elected to the starting lineup in the AAA All-Star Game. Catcher Ramon Castro and infielder Luis Raven were both selected to play on July 12 in Rochester, NY. Both players participated in the skills competition prior to the game, with Raven winning the home run contest and Castro taking the throwing accuracy competition.

THREE'S A CHARM: For the third time in Cannons history, the club recorded a triple play. The feat happened on July 20 vs. Salt Lake City. In the seventh inning with the Cannons leading 4-1, Casey Blake hit a line drive to Manny Martinez in center field. Martinez made the shoestring catch and threw the ball to Amaury Garcia at second base, doubling off Torii Hunter. Garcia then tossed the ball to home where catcher Sandy Martinez and third baseman Mike Gulan caught Brian Buchanan in a run down. The play went 8-4-2-5.

MEDIA INFORMATION

CREDENTIAL APPLICATIONS: All news media will be asked to submit a written request for Florida Marlins media credentials on their official letterhead.

SEASON CREDENTIALS: Season credentials will be issued only to those legitimate newsgathering organizations who plan to cover the Marlins on a daily basis. Credentials will be issued only to members of the working press 18 years of age and older. **No spouses, guests or children** of members of the press will be issued credentials. Press passes are **not transferable.** Credentialed members of the media are prohibited from obtaining autographs or equipment on the playing field, in the dugout or clubhouse. Any violation of these guidelines will result in immediate revocation of credential and future access. Only credentials issued by the Florida Marlins, the National League or the BBWAA will be honored. Credentials must be visible at all times.

DAILY CREDENTIALS: Daily credentials will be issued to those legitimate newsgathering organizations who do not qualify for season credentials. Any organization who anticipates the need for daily credentials must have a letter on file with the Florida Marlins Media Relations Department. Requests may be sent via FAX or mail, but those requests must be received at least 48 hours in advance of the game(s) requested. Daily credentials are subject to the same restrictions as season credentials and any violation will result in revocation of the credential and any future access.

PHOTO CREDENTIALS: Credentials will be issued to those photographers on assignment for legitimate newsgathering organizations and those representatives of companies licensed by Major League Baseball. Photographers for licensees will only be granted daily passes. Priority in all areas will be granted to news organizations on nightly deadlines. No freelance photographers will be granted credentials and all photographs taken are to be used for newsgathering purposes or officially licensed products. Any other use of photographs taken will be considered a violation of the conditions under which the credential is issued and result in no further credentials being issued.

CLUBHOUSE ACCESS: Access to the Florida Marlins clubhouse both before and after games will be limited to those organizations who are filing stories on a daily deadline. Clubhouse access will be granted to all media when special situations arise, as determined by the Marlins Media Relations Department. The clubhouse is open to all media with proper credentials 3 1/2 hours before game time and then closes 45 minutes prior to the start of each game. It re-opens no later than 10 minutes after each game. Policies regarding access between games of doubleheaders and during rain delays will be determined by the Marlins Field Manager. Access to the visiting clubhouse is subject to the visiting club's guidelines.

FIELD ACCESS: All credentialed members of the media will be given access to the playing field prior to each game. No media will be allowed in fair territory or beyond the first and third base bags. All non-uniformed personnel must clear the field at the conclusion of visitors batting practice unless that individual has credentials expressly for in-game field privileges (photo passes, pre-game ceremonies, etc.). Live shots are permitted on the field until 35 minutes prior to the first pitch.

ITEMS OF INTEREST

BLOWN SAVE DEFINITION: When a relief pitcher enters a game in a save situation and departs with the save situation no longer in effect because he has given up the lead, he is charged with a blown save. If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity. This method has been a part of the Rolaids formula since 1988.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit.

CONSECUTIVE-GAME PLAYING STREAKS: A consecutive-game playing shall be extended if the player plays one half-inning on defense, or if he completes a time at bat by reaching base or being put out.

DISABLED LISTS:

15-Day: The player must remain off the active roster for a minimum of 15 calendar days, starting on the day following the player's last game.
60-Day: Same rules apply, however, this may only be used when the team's 40-man roster is full. Any player placed on the 60-day disabled list after August 1 may not play for the remainder of the season, including any post-season game.

EMERGENCY DISABLED LIST: Maximum number of players on list at one time-no limit. Minimum period of inactivity-sixty (60) calendar days. Players placed on this list after August 1 shall remain there for the balance of the season. This list may only be used when a club is at the maximum limit of 40 players.

FREE AGENCY (RE-ENTRY): The 1985 collective bargaining agreement brought about changes in the free agency process. Following is the appropriate information:
Six years of Major League Service continues to be required to be eligible for free agency.
The Re-Entry Draft has been abolished.
A player has 15 days from the first day following the World Series to file for free agency.
By December 7, former club must offer to arbitrate or becomes eligible to sign player. By December 19, player must accept offer or on January 9 former club becomes ineligible to sign the player. (Ineligible club retains eligibility the following May 1.)
If club and player proceed to arbitration, maximum salary cut rules do not apply.
Player who accepts former club's offer to arbitrate is not subject to repeater rights limitations.

NIGHT GAME: A night game shall be any game with the official starting times fixed after 5:00 p.m. All games, with official starting times fixed for 5:00 p.m., prevailing time, or earlier, shall be "day games."

PLAYER LIMITS: A Major League roster consists of 40 players until Opening Day, when the number must be reduced to 25 until September 1, when it again becomes 40.

REGULATION GAME: A regulation game consists of nine innings unless extended because of a tie score or shortened because (1) the home team needs none of its half of the ninth or only part of it; or (2) because the umpire-in-chief calls the game after five completed innings. A regulation game may be less than five innings if the home team is ahead after the first of the fifth, or takes the lead or ties the score while at bat in the fifth.

TIE GAME: A regulation game that is called by the umpire-in-chief when both teams have the same number of runs is a tie game. Individual player performances are official and are entered in the records, but the game does not count in the League standings and may be re-scheduled at a lter date.

SUSPENDED GAME RULE:

Rule 4.12 SUSPENDED GAMES
(a) A league shall adopt the following rules providing for completion at a future date of games terminated for any of the following reasons:
(1) A curfew imposed by law;
(2) A time limit permissible under league rules;
(3) Light failure or malfunction of a mechanical field device under control of the home club. (Mechanical field device shall include automatic tarpaulin or water removal equipment.);
(4) Darkness because of any law, the lights may not be turned on;
(5) Weather, if the game is called while an inning is in progress and before it is completed, and one of the following situations prevails:
(i) The visiting team has scored one or more runs to tie the score, and the home team has not scored.
(ii) The visiting team has scored one or more runs to take the lead, and the home team has not tied the score or retaken the lead.

(b) Such games shall be known as suspended games. No game called because of a curfew, weather, or a time limit shall be a suspended game unless it has progressed far enough to have been a regulation game under the provisions of Rule 4.10. A game called under the provisions of 4.12(a)(3) or (4) shall be a suspended game at any time after it starts.
(c) By amending NOTE to read as follows:
NOTE: Weather and similar conditions--4.12(a) (1 through 5)--shall take precedence in determining whether a called game shall be a suspended game. A game can only be considered a suspended game if stopped for any of the five (5) reasons specified in Section (a). Any legal game called due to weather with the score tied (unless situation outlined in 4.12(a)(5)(i) prevails) is a tied game and must be replayed in its entirety.
(d) A suspended game shall be resumed and completed as follows:
(1) Immediately preceding the next scheduled single game between the two clubs on the same grounds; or
(2) Immediately preceding the next scheduled double-header between the two clubs on the same grounds, if no single game remains on the schedule, or
(3) If suspended on the last scheduled date between the two clubs in the city, transferred and played on the grounds of the opposing club, if possible;
(i) Immediately preceding the next scheduled single game, or
(ii) Immediately preceding the next scheduled double-header, if no single game remains on the schedule.
(4) If a suspended game has not been resumed and completed on the last date scheduled for the two clubs, it shall be a called game.
(e) A suspended game shall be resumed at the exact point of suspension of the original game. The completion of a suspended game is a continuation of the original game. The lineup and batting order of both teams shall be exactly the same as the lineup and batting order at the moment of suspension, subject to the rules governing substitution. Any player may be replaced by a player who had not been in the game prior to the suspension. No player removed before the suspension may be returned to the lineup. A player who was not with the club when the game was suspended may be used as a substitute, even if he has taken the place of a player no longer with the club who would not have been eligible because he had been removed from the lineup before the game was suspended.

SALARY ARBITRATION: Beginning in 1987, three years Major League Service required for eligibility.
Beginning 1987, maximum cut rules do not apply if in immediately preceding year player won arbitration increase of over 50%.
Three-man panels will be scheduled to hear cases instead of single arbitrators in 50 percent of the cases in 1998, 75 percent in 1999 and 100 percent in 2000 and 2001.
Beginning in 1987, arbitrator is officially instructed to give particular attention for purposes of comparison to salaries of players with Major League Service no more than one annual service group higher than player who is arbitrating.
Beginning in 1991, a player with at least 2 but less than 3 years of Major League Service, shall be eligible for salary arbitration if: a)he has accumulated at least 86 days of service during the immediately preceding season or b)he ranks in the top 17 percent in total service in the class of players who at have at least 2 but less than 3 years of ML service, however accumulated, but with at least 86 days of service accumulated during the immediately preceding season.

2) He is not the winning pitcher; and
3) He qualified under one of the following conditions: he enters the game with a lead of no more than three runs and pitches for at least one inning; or he enters that game, regardless of the count, with the potential tying run either on base, at bat or no deck (that is, the potential tying run is either already on base or is either already on base or is one of the first two batsmen he faces; or he pitches effectively for at least three innings.

TRADING REGULATIONS: The trading deadline is July 31.Trades may be made with any other major league club in the period from the end of the championship season through July 31 (midnight) without waivers. Waivers are required, however:
1) If the assignment is to another major league club: From August 1 and ending at 5 pm EDT the day after the end of the season.
2) If assignment is to a minor league club, with right of recall, at any time after three years from the date the player first reported to a major league club during a championship season.
3) If assigned to a minor league club without right of recall, after acquiring three years of service: At any time during the year.
4) If assigned to a minor league club, without right of recall, at any time prior to acquiring three years of service, special waivers are required between September 1 and the opening of the following season. If player is claimed, request may be withdrawn. If no claims are made, club has 7-day period in which to make assignment to minor leagues.

WAIVER PERIOD: Major League waivers must be secured for all Major League trades from August 1 until the day after the regular season concludes. NO WAIVERS are required to trade a Major League player at any other time.

HOW TO FIGURE...

BATTING AVERAGE: Divide the number of hits by the number of at bats.

EARNED RUN AVERAGE: Multiply the number of earned runs by nine and then divide that number by the number of innings pitched.

FIELDING AVERAGE: Divide the total putouts and assists by the total of putouts, assists and errors.

MAGIC NUMBERS: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

ON-BASE PERCENTAGE: Add the total of hits, walks, hit by pitches and divide by the total of at bats, walks, hit by pitches and sacrifice flies.

SLUGGING AVERAGE: Divide the total bases of all safe hits by the total times at bat (at-bats do not include walks, sacrifices, hit-by-pitch, or times awarded first base because of interference or obstruction).

WINNING PERCENTAGE: Divide the number of games won by the total games won and lost.

QUALIFICATIONS FOR BATTING CHAMPIONSHIP: Highest batting average based on a minimum of 502 plate appearances, the equivalent of 3.1 appearances for each of the 162 scheduled games, which may include walks, sacrifices, hit by pitch, etc.

QUALIFICATIONS FOR PITCHING (ERA) CHAMPIONSHIP: Lowest earned run average with a minimum of 162 innings pitched.

QUALIFICATIONS FOR A FIELDING CHAMPIONSHIP: The fielders with the highest fielding average at each position, provided:

(1) A catcher participates as a catcher in at least one-half the number of games scheduled for each club in his league that season.

(2) An infielder or outfielder must have participated at his position in at least two-thirds of the number of games scheduled for each club in his league that season.

(3) A pitcher must have pitched at least as many innings as the number of games scheduled for each club in his league that season. EXCEPTION: if another pitcher has a fielding average as high or higher, and has handled more total chances in a lesser number of innings, he shall be the fielding champion.

NOTE: These figures DO NOT determine Rawlings Gold Glove winners at the end of the season. Those are selected by a vote of managers and coaches.

QUALIFICATIONS FOR A ROOKIE: A player with no more than 130 at-bats or 50 innings pitched in the Major Leagues during the previous season or seasons, nor more than 45 days on a Major League roster during the 25-man player limit (excluding time in military service).

PINCH HITTING: A player shall be considered a pinch-hitter only if he enters the game as a substitute batter and then only on his first time at bat, which must be before he becomes a fielder. If the team bats around in the inning and a pinch hitter comes up a second time, he will not be considered a pinch hitter the second time.

CONSECUTIVE HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit. The player's individual consecutive-game hitting streak shall be determined by the consecutive games in which the player appears and is not determined by his club's games.

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

MARLINS IN THE COMMUNITY

COMMUNITY AFFAIRS PHILOSOPHY

The Florida Marlins Baseball Club is an active partner in the South Florida community. By supporting community and charitable causes, we are exercising our commitment our commitment of being a responsible and civic-minded business.

Through Cornerstones for Kids, the Marlins continuously reach beyond the walls of the stadium to meet face-to-face with fans of all ages. Baseball is a family game and we are committed to ensuring that the Marlins impact every member of our diverse community in a positive manner.

The catalyst may be a player signing an autograph for a youngster reaching over the dugout, a hug from Billy the Marlin, a youth group receiving tickets for a game, or one of our players teaching baseball at a Marlins Youth Baseball Clinic. We are committed to building a brighter future for South Florida.

FLORIDA MARLINS ALL HEART AWARD

The Florida Marlins presented the inaugural All Heart Award to right-handed pitcher Ryan Dempster for exemplifying the team's commitment to the South Florida community by making an impact on our youth. Dempster has taken an active role in the lives of children from the S.O.S. Children's Village of Coconut Creek. He created "Dempster's K Squad," which allows children to come to each of Ryan's home starts, and supports Radio Disney's "Hometown Heroes" in their efforts. In addition, he participates in many of the Club's initiatives, including the Adopt-A-Classroom, World of Baseball, Florida Marlins-Pizza Hut A-Ball Program and Youth Baseball Clinics.

CORNERSTONES FOR KIDS

Building a brighter future through education and baseball

The foundation of every child's future is a strong mind and a strong body. Cornerstones for Kids provides the tools for our children to develop both their minds and their bodies in a positive way.

EDUCATION

World of Baseball

World of Baseball is a curriculum enhancement program developed by local educators. Currently implemented in Dade, Broward and Palm Beach counties, the program uses baseball to make learning a fun, exciting and fulfilling experience. The unique design of the program provides an opportunity for teaching a full range of subjects, from math to geography, to students at all levels from kindergarten through high school. As part of World of Baseball, the Marlins designate one week in May as World of Baseball Week. Marlins players, coaches and broadcasters will visit approximately 40 schools during the week of May 8. In addition, each school receives 500 tickets to one upcoming Marlins home game.

Adopt-A-Classroom

Adopt-A-Classroom is a not-for-profit organization that matches businesses and individuals with inner-city schools. Each $500 donation provides the teacher of the adopted classroom the opportunity to purchase items that make learning fun and exciting for students. As many items are used year after year, the cumulative effect of donations grows with each new group of students.

The Marlins have adopted 66 classrooms in 11 elementary schools in Broward, Miami-Dade and Palm Beach counties. Individuals adopting classrooms include:

Manager John Boles	Coach Fredi Gonzalez	Coach Tony Taylor
David Berg	Ricky Bones	A.J. Burnett
Ramon Castro	Reid Cornelius	Vic Darensbourg
Ryan Dempster	Cliff Floyd	Derrek Lee
Braden Looper	Mike Lowell	Kevin Millar
Mike Redmond	Michael Tejera	Preston Wilson

BASEBALL

Youth Clinics

There is nothing our players and coaches enjoy more than to pass along their Baseball knowledge to kids. In order to give children the opportunity to learn baseball from professionals, the Marlins conduct clinics Saturday mornings when the team is home. Marlins Infield Coach Tony Taylor leads the clinics and is assisted by Marlins players and coaches. Additionally, the Marlins have teamed with the National Alliance for Youth Sports to provide coaches clinics for local youth coaches.

Youth Tournaments

Last year, the Marlins held the inaugural Florida Marlins-Josh Beckett Youth Baseball Tournament. The week-long tournament for 12 & under youth baseball teams was held at the Kendall Boys & Girls Club. The team from Tamiami Park was crowned the champion of the 16-team tournament. Due to the success of the Beckett Tournament, the Marlins will add one baseball and one softball tournament to the South Florida tournament schedule this year.

MARLINS IN THE COMMUNITY

MAJOR LEAGUE BASEBALL PROGRAMS

Reviving Baseball in Inner Cities

Reviving Baseball in Inner Cities (RBI) is a youth program offering children ages 13-18, who live in disadvantaged areas, the opportunity to participate in organized baseball and softball. This program is designed to promote interest in baseball, academic achievement and social responsibility. The Florida Marlins and Gatorade supply uniforms, umpires and equipment for more than 400 children. Two Marlins all-star teams have won the RBI World Series. In 1997, the Boys Junior team brought home the first place trophy, and in 1999, the Girls Softball team captured the crown.

Diamond Skills

Diamond Skills is a skills competition that focuses on three fundamental baseball skills: batting, fielding/throwing and base running. The competition helps children ages 7-14 focus on becoming better all-around players. The Marlins host the South Florida championship, which helps determine who will compete in the national finals at the All-Star Game. In 1999, Nick Hernandez, from Hialeah, was crowned the national champion in the 9-10 year-old division based on his performance in Boston.

COMMUNITY OUTREACH

Ballpark Buddies/Corporate Partners for Youth

Marlins players and sponsors partner to provide tickets to every home game to local community groups. Last season, over 35,000 children attended Marlins games through this program.

Player Appearances

Marlins players make various community visits throughout the year. Visits to schools, hospitals, youth centers and local businesses give the players the opportunity to interact with our fans outside the stadium.

Speakers Bureau

Since the inaugural season, Marlins front office personnel have spoken at various schools, businesses and civic organizations throughout South Florida. The Bureau's mission is to provide information about baseball in general, and the Marlins, in particular, to our fans. Meeting with local groups also allows the front office to receive feedback directly from the community.

Fan Mail

Local volunteers sort through the hundreds of letters the Marlins receive each week. Letters addressed to an individual player are delivered directly to the player. Volunteers send a Marlins Fan Pack to fans with generic requests.

FLORIDA MARLINS COMMUNITY FOUNDATION

The Florida Marlins Community Foundation is committed to the betterment of South Florida's youth through the Cornerstones for Kids Program whose goal is building a brighter future through education and baseball. Resources for contributions come from a variety of sources including player donations, corporate sponsorships, and various events which allow our fans a chance to support community programs and have fun at the same time.

The 2000 Bank of America Dinner on the Diamond celebrated its most successful event in four years with $20,000 being raised for the Daily Bread Food Bank. The 2001 event is scheduled for May 20, 2001 after the 1:05 p.m. game with the Colorado Rockies.

Thanks to 2000 Hall of Fame inductee, Tony Perez, the Florida Marlins honored Tony and his wife, Pituka, during Toyota Tundra Tony Perez Weekend. The luncheon which started the celebration raised more than $36,000 for the Miami Lighthouse for the Blind, the Greater Miami Progress Foundation, Inc. and the Florida Marlins Community Foundation.

Josh Beckett presented the Foundation with its largest single donation to date. The $100,000 contributed by Josh in December, 1999 has enabled the Foundation to invest $28,000 in Adopt-A-Classroom and fund the inaugural Florida Marlins Josh Beckett Youth Baseball Tournament.

The Saturday Night Raffle features four in-stadium locations and will wrap-up the 2001 season on September 29 with the third MDA "Jerseys Off Their Backs" raffle. The 2000 event raised $5,500 for Muscular Dystrophy Association during Fan Appreciation Weekend.

The Florida Marlins Community Foundation is active at all the home games with the selling of maracas, the Celebration Club/Smile of the Game, Clubhouse Kids, and check presentations thanks to players like Cliff Floyd and Ryan Dempster.

The Foundation has teamed up with Prudential to create Bullpen Buddies, a ticket program for at risk youth and the elderly.

The Lucent Technologies Florida Marlins Invitational Golf Tournament is key to the Foundation's success by raising unrestricted dollars which allows us the flexibility to help in emergency situations. Over $80,000 was raised at the 2000 tournament.

Overall, the Florida Marlins Community Foundation contributed nearly $350,000 during 2000. Nearly two-thirds of that total went to specific youth programs including RBI, Reviving Baseball in Inner Cities. Nearly $130,000 went to specific charities in the South Florida area. Another $100,000 was contributed by the Florida Marlins Baseball Club in the way of corporate contributions. The Florida Marlins are certainly giving back to the community.

SPACE COAST STADIUM
SPRING TRAINING HOME OF THE FLORIDA MARLINS

The Florida Marlins begin their eighth season at the state-of-the-art Space Coast Stadium and ninth Spring Training camp overall. The Marlins conducted their inaugural Spring Training in 1993 at Cocoa Expo. Space Coast Stadium is the 7,200 seat centerpiece of the Marlins Brevard County operation. In the spring, it houses offices for the Marlins Major League staff, clubhouses for both the Marlins and visiting teams, in addition to media work and dining areas. After the Major League club breaks camp at the end of March, the stadium becomes home to the Brevard County Manatees (A) of the Florida State League, Gulf Coast Rookie League Marlins, Instructional League and the Marlins fantasy camp. In addition to the 7,200 permanent seats, Space Coast Stadium also features 11 luxury suites located on the press level and a grass-covered berm beyond the left field fence that will serve as additional general admission seating.

Pitchers and catchers first workout is slated for February 19 at the Carl Barger Baseball Complex at Viera. The complex opened in time for the Marlins first Spring Training camp in 1993 and the Marlins will utilize the complex for the first 10 days of training camp before moving to the stadium just prior to the start of the Grapefruit League season.

The Carl Barger Baseball Complex was designed by the firm of Lescher and Mahoney, while Space Coast Stadium was designed by the firm of L.D. Astorino & Associates, Ltd. Both projects were constructed by Miorelli Engineering.

Offices for the Marlins Media Relations Department and the Media Workroom are located at the stadium. The workroom is directly behind the seating area of the Press Box, located on the third level of the stadium. The Press Dining area, which will be open prior to the start of each exhibition game, is located on the first base side of the stadium on the concourse level. Admission to the dining area is either a Major League Spring Training credential, a BBWAA card or a Marlins spring season pass or daily credential.
